| **360°F / 180°C** | 4-6 min | Turn once at 3 min; wrapper turns flaky again |

| Onion Rings / Mozzarella Sticks | | |
|---|---|---|
| **Reheat Temp (°F / °C)** | **Reheat Time** | **Crisp Revival Technique** |
| **375°F / 190°C** | 3-4 min | Watch closely so cheese doesn't melt out |

**PRO TIP:** When you cook a steak or chicken breast the first time, you use 380°F-400°F to create crust and cook raw fibers. If you reheat it at 400°F, you cook the meat a second time-turning a medium-rare steak into leather.
