Kitchen & Cooking

Vegetable & Cut Size	Temp (°F / °C)	Cooking Time	Crispness & Prep Tip
Asparagus Spears (Woody ends snapped)	400°F / 200°C	6-8 min	6 min for thin spears, 8 min for thick jumbo spears
Green Beans (Trimmed whole)	390°F / 200°C	7-9 min	Pat dry completely; shake at 4 min for blistered skin
Zucchini / Yellow Squash (1/2-inch moons)	390°F / 200°C	8-10 min	Salt right before serving so they don't get mushy
Bell Peppers & Onions (Fajita strips)	390°F / 200°C	8-10 min	Shake halfway; great with 1 tsp Fajita seasoning
Whole Cremini / Button	390°F / 200°C	8-10 min	Toss in balsamic & oil; shake at 5 min
Corn on the Cob (Whole ears)	390°F / 200°C	10-12 min	Rub with butter/oil; turn halfway for charred kernels
Eggplant Cubes (1-inch pieces)	390°F / 200°C	10-12 min	Needs 1.5 tbsp oil (spongy flesh absorbs oil fast)

PRO TIP: Every vegetable has a unique water-to-fiber ratio that dictates how it reacts in an air fryer:
