PRO TIP: Print on US Letter or A4 and slip this chart into your crochet project bag or pattern binder, where it is handy when a pattern names a hook you do not recognise. Use "Save as PDF" in the print dialog for a PDF copy in Letter or A4, and consider printing it at a size that fits a binder page without shrinking the table to unreadable text. A laminated copy survives yarn, coffee and being folded into bags far better than plain paper, and many crocheters keep it with their hook roll so the conversion is always beside the hooks themselves.
