HOORVIA - SEASONAL HOME MAINTENANCE: PRINTABLE YEAR GUIDE

Quick Reference Cheat Sheet · US Letter Printable

Home, Family & Health · Sheet #1

Season	Task	Why It Matters	How Often
Spring	Clean gutters & downspouts	Winter debris blocks drainage	Once in spring
Spring	Inspect roof for damage	Winter ice lifts shingles	Once in spring
Spring	Service the air conditioner	Beat the summer heat	Once a year
Summer	Check deck & seal wood	Sun and rain wear the finish	Once a year
Summer	Test smoke detectors	Summer storms knock out power	Monthly
Summer	Clean the dryer vent	Lint buildup is a fire risk	Once a year
Fall	Clean gutters again	Falling leaves clog them	Once in fall
Fall	Service the furnace	Before heating season starts	Once a year
Fall	Seal windows & doors	Stop drafts before winter	Once a year
Winter	Insulate exposed pipes	Frozen pipes burst	Before first freeze
Winter	Check roof for ice dams	Ice dams leak into the attic	After heavy snow
Winter	Test the sump pump	Winter thaw floods basements	Monthly in winter

PRO TIP: Do gutters twice a year: Spring clears winter debris and fall clears leaves. One cleaning a year is not enough - clogged gutters cause basement water damage.
