HOORVIA - MOVE-IN & MOVE-OUT CHECKLIST: PRINTABLE ROOM-BY-ROOM CHART

Quick Reference Cheat Sheet · US Letter Printable

Home, Family & Health · Sheet #1

Room / Area	Move-In Check	Move-Out Task	Why It Matters
Kitchen	Test oven, burners, fridge, dishwasher; note chips and stains	Deep clean oven, fridge, and cabinets; defrost freezer	Appliance damage is the top deposit deduction - document it first
Bathrooms	Check water pressure, flush, grout, and caulk lines	Descale showerhead, scrub grout, re-caulk if you damaged it	Mildew and caulk issues are classic 'tenant damage' claims
Bedrooms	Inspect floors and closets; test every window and lock	Patch nail holes, touch up paint, vacuum closets	Wall and floor condition decide most of your deposit back
Living Room	Test outlets and switches; check heating vents	Patch wall marks, steam-clean carpets if required	Carpet cleaning is often lease-mandated - budget for it
Entry & Hallways	Test deadbolts and smoke detectors; note scuffs	Replace dead bulbs, clean fixtures, wipe door handles	Safety devices must work at handover or you get charged
Laundry Area	Test washer hookups and dryer vent for blockages	Clean lint trap and filters; wipe down machines	A clogged vent is a fire risk and a billable repair
Windows & Doors	Check screens, seals, and that every door latches	Clean tracks and glass; report broken seals now	Drafty seals become your heating bill - and maybe your problem
Exterior & Yard	Note roof, gutter, and yard condition in photos	Mow, trim hedges, clear gutters and patios	Landscaping neglect is an easy line-item deduction
Garage & Storage	Test garage opener and door sensors	Sweep out, remove all items, check for oil stains	Leftover junk triggers haul-away fees you could avoid in an hour
Systems & HVAC	Note HVAC filter age and thermostat operation	Replace the filter; set thermostat to the lease's away setting	Filters are cheap; clogged coils charged to you are not
Keys & Utilities	Collect all keys; transfer utilities into your name	Return every key and fob; schedule final meter readings	Missing keys and late utility transfers keep billing you
Documents	Photograph everything and sign a dated condition report	Photograph cleaned rooms; send the move-out report in writing	Dated photos plus a signed report win nearly every deposit dispute

PRO TIP: Photograph Everything Twice: Take dated photos at move-in and after cleaning - the pair proves what was already there.
