■ DRIED PASTA COOKING TIMES (BOILING WATER AL DENTE TIMINGS)

Pasta Shape Variety	Boiling Water Needed	Kosher Salt Added	Al Dente Time	Sauce Pairing Recommendation
Spaghetti / Linguine (Long)	4 to 6 quarts / lb	1.5 tbsp salt	9 – 11 min	Tomato, marinara, carbonara, oil & garlic
Penne Rigate / Ziti (Tubes)	4 quarts / lb	1.5 tbsp salt	10 – 12 min	Meat sauce, vodka sauce, baked bakes
Rigatoni / Paccheri (Large Tubes)	4 to 5 quarts / lb	1.5 tbsp salt	12 – 14 min	Thick ragus, chunky vegetable sauces
Fusilli / Rotini / Farfalle (Shapes)	4 quarts / lb	1.5 tbsp salt	9 – 11 min	Pesto, cold pasta salads, cream sauces
Fettuccine / Tagliatelle (Flat)	4 quarts / lb	1.5 tbsp salt	10 – 12 min	Alfredo, rich cream, mushroom ragu
Rigid Manicotti / Cannelloni	Wide skillet	1 tbsp salt	6 – 8 min (Partial)	Stuffed with ricotta & baked
Lasagna Sheets (Wavy/Flat)	Wide stockpot	2 tbsp salt	8 – 10 min (Al dente)	Layered meat & cheese lasagna

■ FRESH PASTA & STUFFED PASTA COOKING TIMES

Fresh Pasta Type	Water Volume	Salt Ratio	Boil Cooking Time	Floating Visual Cue
Fresh Fettuccine / Tagliatelle	4 quarts / lb	1.5 tbsp	2 – 3 minutes	Floats to surface within 90 seconds
Fresh Ravioli / Tortellini (Cheese)	4 quarts	1.5 tbsp	3 – 4 minutes	Floats to top + 30 seconds
Fresh Gnocchi (Potato Dumplings)	4 quarts	1.5 tbsp	2 – 3 minutes	Floats to top immediately
Stuffed Jumbo Shells (Pre-boiled)	3 quarts	1 tbsp	8 – 10 min (Par-boil)	Firm enough to stuff

CHEF'S PRO TIP: Never rinse cooked pasta with cold water unless making a cold pasta salad! Rinsing washes away the starchy exterior coating that helps expensive pasta sauce cling to the noodles.
GRAIN & PASTA GOLDEN STANDARD: Always salt boiling water generously • Never rinse cooked hot pasta unless making cold salad • Rest rice covered off heat for 10 minutes.
