Crafting & DIY · Sheet #1

Fabric	Thread Weight	Needle Size	Note
Lightweight cotton	50 wt	70/10	Fine thread, fine needle
Medium cotton	40-50 wt	80/12	The standard combo
Denim	30-40 wt	100/16	Heavy thread, heavy needle
Silk / chiffon	50-60 wt	60/8	Fine thread, microtex needle
Knit jersey	40 wt polyester	75/11 ballpoint	Ballpoint slides between fibers
Leather	30 wt bonded	100/16 leather	Strong thread, wedge needle
Quilting cotton	40-50 wt	80/12 quilting	Even stitches
Upholstery	30 wt	100/16	Heavy-duty combo
Embroidery	40 wt rayon	75/11 embroidery	Shiny thread, special eye
Topstitching	30 wt	90/14 topstitch	Thicker thread shows
Basting	50 wt	80/12	Easy to remove
Hand sewing	50 wt	Sharp #8	Hand needles by number

PRO TIP: Match the needle to the fabric: A heavy needle on silk leaves holes; a fine needle on denim snaps. The needle size and the thread weight change together with the fabric.
