Vegetable	Best Method	Cook Time	Tip
Broccoli	Steaming	4-5 min	Bright green, still crisp
Carrots	Roasting	25-30 min	Cut evenly so they cook evenly
Green beans	Sautéing	5-7 min	Blanch first for bright color
Asparagus	Grilling	3-5 min	Snap off the woody ends
Brussels sprouts	Roasting	20-25 min	Cut in half, flat side down
Cauliflower	Roasting	20-25 min	High heat for browning
Zucchini	Sautéing	4-6 min	Do not overcrowd the pan
Sweet potatoes	Roasting	30-40 min	Cube small for faster cooking
Corn on the cob	Boiling	3-5 min	Add after the water boils
Peas	Steaming	2-3 min	Add last, they cook fast
Spinach	Sautéing	2-3 min	Wilts fast - watch it
Butternut squash	Roasting	25-30 min	Peel, cube, toss in oil

PRO TIP: Cut evenly or it cooks unevenly: A thick piece and a thin piece in the same pan finish minutes apart. Cut to the same size so everything finishes together.
